## Government Resources

**Centers for Disease Control and Prevention (CDC)**  
Information on health-related topics including environmental and occupational health.  
www.cdc.gov  
(800) 311-3435

**National Institute of Health (NIH)**  
Part of the U.S. Department of Health and Human Services.  
www.nih.gov

**National Institute for Occupational Safety and Health (NIOSH)**  
Part of the Centers for Disease Control providing health and safety information with a workplace orientation, including an IAQ Fact Sheet available in Spanish and English.  
www.cdc.gov/niosh  
(800) 35-NIOSH (800-356-4674)

**Occupational Safety & Health Administration (OSHA)**  
Information on worker and workplace safety.  
www.osha.gov  
(800) 321-OSHA (800-321-6742)

**Office of the Federal Environmental Executive (OFEE)**  
Provides guidelines for environmentally preferable janitorial products and services.  
www.ofee.gov/gp/greenjanitorial.html

**Tox Town**  
Presented by the National Medical Library and National Institutes of Health, this interactive website details sources of pollution at home, at work and in the community and gives links to preventative and problem-solving resources.  

## Resources

**U.S. Consumer Product Safety Commission**  
Conducts testing and provides resources promoting public safety.  
www.cpsc.gov

**U.S. Environmental Protection Agency IAQ Home Page**  
www.epa.gov/iaq

**U.S. EPA IAQ Information Clearinghouse**  
This clearinghouse maintains indoor air-related documents, listing of state IAQ contacts and regional EPA contacts, and provides answers to IAQ questions.  
Phone: (800) 438-4318 or (703) 356-4020  
Fax: (703) 821-8236  
Email: iaqinfo@aol.com

**U.S. EPA IAQ Publications**  
Access downloadable versions and order print or CD copies (formats vary by title) www.epa.gov/iaq/pubs

Resources available through this site include:  
- **IAQ Building Education and Assessment Model (I-BEAM)**
- **An Office Building Occupant’s Guide to IAQ**
- **Building Air Quality – A Guide for Building Owners and Facility Managers**
- **Building Air Quality Action Plan**  
  (for Commercial Buildings)
- **Indoor Air Pollution: An Introduction for Health Professionals**
- **The Inside Story: A Guide to Indoor Air Quality**
- **Mold Remediation in Schools and Commercial Buildings**

## Building And Product Certification Resources

**Air Quality Sciences**  
A GREENGUARD testing and certification partner.  
www.aqs.com

**Carpet and Rug Institute (CRI)**  
www.carpet-rug.com  
(800) 882-8846

**GREENGUARD Environmental Institute**  
www.greenguard.org  
(800) 427-9681

**Green Seal**  
www.greenseal.org  
(202) 872-6400

**U.S. Green Building Council (USGBC)**  
National non-profit providing LEED®, an independent third-party green building certification program, plus diverse professional development resources for the building industry.  
www.usgbc.org
